Re: Docket No. 05-0315 – In re Application of Hawaii Electric Light Company, Inc.
("HELCO") for Approval of Rate Increases and Revised Rate Schedules and Rules.

Dear Mr. Matsuura:

By letter dated April 11, 2008, HELCO informed the Hawaii Public Utilities Commission ("Commission") of its proposal to file a supplement providing certain cites and supporting information relevant to the April 5, 2007 Stipulated Settlement Letter (the "Supplement") by April 30, 2008. HELCO stated that it intends to file the Supplement jointly with the Division of Consumer Advocacy, Department of Commerce and Consumer Affairs ("Consumer Advocate").

The Commission accepts HELCO's proposal to file the Supplement by April 30, 2008. Given the current status of this docket, however, should HELCO require additional time to file the Supplement, a request for an enlargement of time should be filed with the Commission pursuant to Hawaii Administrative Rules § 6-61-23.

Should you have any questions, please contact Ji Sook Kim at 586-2013.

Sincerely,

A handwritten signature in cursive script, reading "Carlito P. Caliboso".
